

SINCE 1991

**Burton's Fire Inc. is an authorized distributor for
Kussmaul Electronics Inc.**

Kussmaul recently joined forces with Newmar, a California based electronics Company. Newmar's emergency vehicle products are now integrated with the Kussmaul line, expanding your selection of electrical products, including: Battery Chargers, Inverters, Solar panels, Custom Distribution Panels, Meters, and numerous Installation Accessories, making Kussmaul your largest single source of emergency vehicle electrical components. Kussmaul now offers two locations to better serve its customers.
